Echuca Rotary Park welcomed us back this week for our 3rd run of the season, I believe luck was on our athletes side in postponing this venue till this week, the amount of mud that was present the week prior would have been seriously challenging for our athletes.

Rotary park adds a few little inclines to our courses, they don't seem to much at first, however add that incline with the speed of our athletes and they will all tell you they know they are there.

- 28th May – XC Meet #4 – Moama Rec Reserve
- 4th June – XC Meet #5 – Moama Soundshell
- 11th June – NO MEET – Long Weekend
- 18th June – XC Meet #6 – Echuca Rotary Park
